

Tech Data Sheet

Handy Spray™ H.D.

HEAVY DUTY PUMP DISPENSER

USC's Heavy Duty Handy Spray™ Pump Dispenser is the quick and easy way to apply professional formula surface cleaners directly on the surface. This shop-smart dispenser helps keep residue off your hands and shop floor. Cost effective too - cuts waste!

Handy Spray™ H.D. Dispenser, manufactured from durable "polyamid" with "viton" seals and brass nozzle is ideal for use with USC #1240 Solvent Cleaner - Final Prep™, Wax & GreaseRemover and most surface cleaners (see back).

8 Reasons and more why every professional Body Shop needs Handy Spray™ H.D. today:

- **1.** Handy Spray™ keeps residue off your hands and shop floors - Added safety for the employees and the environment..
- **2.** Cuts Waste - Use less product with efficient direct spray applicator.
- **3.** Saves Money - Eliminate using paper towels to apply cleaners.
- **4.** User Friendly - Convenient 1 quart size dispenser can reach hard to spray areas.
- **5.** Portability - Simply carry to any job in the shop.
- **6.** Versatile - Turn nozzle to adjust from fine mist to jet spray for hard to reach places.
- **7.** Multi-Purpose - Ideal for professional quality cleaners, leather & vinyl upholstery cleaner, and tire cleaner.
- **8.** Sealed Container - Eliminates product from evaporating.

Handy Spray™ H.D.

HEAVY DUTY PUMP DISPENSER

Instructions For Use:

1. Fill the bottle to the "max" indicator.
2. Insert pump assembly and screw very tightly so airtight seals can maintain sufficient pressure.
3. Extend pump lever and stroke 15 to 20 times.
4. Press trigger and slowly turn nozzle to adjust spray from fine mist to jet spray.
5. Use clean liquids free from solids to ensure a clean nozzle and fine spray pattern.
6. Always release pressure in the unit before storage.
Do not store contents under pressure.

FOR PROFESSIONAL/INDUSTRIAL USE ONLY.

WARRANTY: The pump assembly is warranted against mechanical failure for a period of 90 days from the date of purchase. In the event of mechanical malfunction during the said period, it will be replaced at no charge when unit is returned with proof of purchase. Any use of this unit inconsistent with its intended use shall render null and void any and all warranties.

WARNING: Do NOT use Handy Spray Pump Dispensers with chemical formulas containing methanol, m.e.k. (methyl ethyl ketone) and/or silicones! (Voids Warranty)

PROTECTIVE EQUIPMENT: Wear splash goggles, protective clothing, rubber gloves, synthetic apron and a NIOSH/OSHA approved respirator designed for organic vapor or mist if component solvent TLV limits are exceeded when applying. Use only with adequate ventilation.
