PREMIUM WHITE MASKING PAPER

Premium White Masking Paper saves time and reduces waste.

- Bright WHITE color for easy color matching.
- Smooth, treated surface resists bleed through and paper linting.
- Vehicle can be wet-sanded without having to re-mask.
- Ideal with conventional and urethane paint systems.
- Flexible paper great for cornering – conforms easily around detail areas.

Premium WHITE Masking Paper

<u>USC</u>	<u>Bond-Tite</u>	<u>Size</u>	<u>Rolls/Log</u>
37006	80902	6" x 750'	(6/log)
37012	80903	12" x 750'	(3/log)
37018	80904	18" x 750'	(2/log)
37036	80905	36" x 750'	(1/log)

(63 logs to a skid)

Ideal for Automotive, Aviation, Marine and Industrial use.
